

BIOBLITZ

CHESTERFIELD CANAL

at Renishaw

Friday 12th June 14:00 – 22:30
Saturday 13th June 07:00 – 12:00

Parking at Trans Pennine Trail Car Park,
Station Road, Renishaw S21 3WF

- Come and explore the wildlife in this old section of the Chesterfield Canal.
- Expert or beginner, individual or family – everybody is welcome.
- Help us to record as many species of birds, plants, insects etc. as we can.
- You can record by yourself, or join in planned activities at the times below.
- Family-friendly resources will be available.

EVERYBODY
WELCOME!
EXPERT OR
BEGINNER

BIOBLITZ DROP-IN: 14:00–17:00 FRIDAY AND 09:00–12:00 SATURDAY

The BioBlitz Basecamp will be set up near the car park ready for you to drop in – you can

pick up a 'mission' – hunt minibeasts, find flowering plants or look out for birds

borrow a bug pot or a magnifier

get help identifying species

learn how to use the iNaturalist recording app

see what's been found so far

FRIDAY 12TH JUNE ACTIVITIES

15:00 – 17:00 Plant Survey / Solo Survey Time
Ecologists will be using the iNaturalist app to record as many plants and animals as possible within this section of the Canal. Come along to help, or to survey on your own.

20:00 – 22:30 Moth Trapping
Drop-in to see what moths can be found on site, and help to identify them.

21:15 – 22:30 Guided Bat Walk
Join us for a short talk about bats, followed by a walk along the towpath to find bats using bat detectors.
[Bookable in advance – tel 07854 646742 or email eastpeakcic@gmail.com]

SATURDAY 13TH JUNE ACTIVITIES

07:00 – 08:30 Guided Bird Walk
Learn some bird songs and help us to identify the birds using this section of the Canal.

[Bookable in advance – tel 07854 646742 or email eastpeakcic@gmail.com]

10:00 – 11:30 Plant Survey / Solo Survey Time
Ecologists will be using the iNaturalist app to record as many plants and animals as possible within this section of the Canal. Come along to help, or to survey on your own.
